

## CONSENT TO VIDEO A CHILD/YOUNG PERSON

Dear Parent/Guardian,

Photos and short video clips are a very effective way of communicating and promoting the value of youth and children’s work. They are also a great way for group members to see themselves enjoying being part of a group and learning from or remembering a particular activity or event.

Occasionally, we may take photographs or video of the children/young people who belong to our group. We may use these images in our publicity or in other printed publications that we produce, as well as on our website/Facebook/You-Tube pages. We may also make video or slideshows of our group in action for educational purposes, including remembering a fun activity or event.

Very occasionally our group may be visited by the media who will take photographs or film footage of a visiting dignitary or other high profile event. Group members may appear in these images, which may appear in newspapers, or even on TV news programmes.

**To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child for promotional purposes. Please answer questions 1 to 4 below, then sign and date the form where shown. Please return the completed form as soon as possible.**
